About the Role

NC Health Partners is seeking an experienced, compassionate, and driven **MST Supervisor** to lead our Multisystemic Therapy (MST) team in Greensboro, North Carolina.

This position plays a vital role in ensuring that our MST programs deliver high-quality, evidence-based treatment to youth and families across North Carolina. The MST Supervisor provides clinical oversight, training, and administrative leadership to a team of MST Therapists while ensuring adherence to the MST model and agency standards.

The ideal candidate is a strong communicator and mentor who thrives in a collaborative environment and is passionate about making a lasting impact in the lives of families, youth, and their communities.

Key Responsibilities

- Provide **weekly individual and group supervision** to MST Therapists, ensuring clinical excellence and model fidelity.
 - Facilitate **weekly MST consultant calls** and ensure full team participation.
 - Observe sessions, review documentation, and provide constructive feedback to therapists.
 - Oversee therapist caseloads, ensuring balance, timeliness, and quality of service delivery.
 - Assist with case conceptualization, treatment planning, and high-risk clinical decisions.
 - Support staff with on-call guidance, crisis management, and case consultation.
 - Collaborate with community partners such as DJJ, DSS, and local schools to strengthen relationships and program outcomes.
 - Monitor and ensure documentation compliance with Medicaid, MCO, and internal quality standards.
 - Participate in hiring, onboarding, and ongoing training of new MST staff.
-

Qualifications

- **Master's degree** in Psychology, Social Work, Counseling, Marriage and Family Therapy, or a related field (required).
 - Full licensure preferred (LCSW, LCMHC, LMFT, LCAS); associate-level licensure considered with supervision.
 - Minimum of **two years of direct clinical experience** with youth and families.
 - Prior experience providing or supervising MST or intensive in-home services preferred.
 - Demonstrated leadership and team-building skills.
 - Strong organizational, problem-solving, and communication abilities.
 - Proficiency in Microsoft Office
-

Preferred Experience

- Experience conducting live or recorded observations and providing feedback to clinicians.
 - Familiarity with Medicaid documentation and audit processes.
 - Background in structural, strategic, or cognitive-behavioral family therapy.
 - Demonstrated ability to engage diverse populations and promote equity and inclusion in service delivery.
-

Benefits

- **Medical, Dental, and Vision Insurance** (agency covers 50% of the standard medical plan)
 - **Paid Holidays and Personal Time Off**
 - **Clinical Supervision and Ongoing Professional Development**
 - **Licensure Support and CEU Opportunities**
 - **Collaborative Work Environment and Leadership Growth Pathways**
-
